Dear Mr Davies,

**Re: PA - AL/107/18/PL Nyton Stables, Aldingbourne. 10 April 2019
Planning Committee Meeting.**

Since the above mentioned committee meeting, we have wrestled with the problem of how best for us to move on now PP has been granted, in order to ensure a significant and appropriate boundary landscaping, which also addresses the situation in the southern corner, which seemed to be ignored in the PA. We chose in the end to write to the Chairman of the Committee Meeting that day, Councilor Bower. I enclose a copy of this letter for your information.

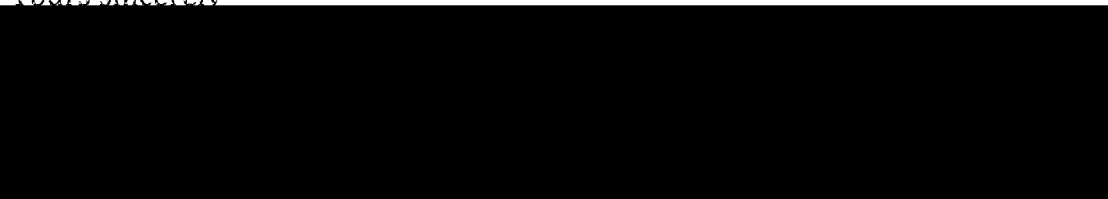

As you will see we continue to be very disappointed at the way we have been treated by ADC Planning. However we are only interested in getting this landscaping implemented to our satisfaction and not to escalate this strange stance that has been directed towards us. Your behavior towards us was certainly upsetting but I'm sure you are a good Planning officer under normal circumstances and we would gain no joy from submitting a complaint against you, as you once suggested we might wish to do. Well certainly not until all other reasonable avenues have been explored.

We believe that you should have taken a different approach with us, rather than misleading us and sending us off on wild goose chases, hoping we would tire of it all eventually? You stole my time and energy and that I resent very much.

We know the full landscaping plan has not been put forward yet, so there is still time for your landscaping advisor to consult with us. I do hope that we can now count on ADC to get the best result possible for us, and support Mr. Coles desire to help us too.

You are key to that, so can we please put the past behind us, and start again?

Yours sincerely

Phill and Rosy Goddard

Dear Mr and Mrs Goddard,

Re: AL/107/18/PL Nyton Stables, Aldingbourne - 10 April 2019 Planning Committee Meeting

I write in response to your letter addressed to me as dated 20 June 2019.

I am sorry that you feel disappointed in how you have been treated by Arun District Council Planning and that are upset by my behaviour. I am not sure what I did or did not do to cause such distress. However, I agree with you that it is best to put the past behind us and start again.

You may be interested to know that we have today received an application to discharge the landscaping conditions imposed on AL/107/18/PL. You can view the documents on our website using the reference AL/60/19/DOC.

Yours sincerely,

Simon Davis MRTPI
Principle Planning Officer
