Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/107/25/PL
Site Address: Land at West Barn Old Dairy Lane Norton PO20 3AF
Description of works: Demolition of existing tennis court and erection of a commercial building (within Use Class E(g)), parking, landscaping and other associated works. This application is a departure from the Development Plan, may affect the character and appearance of the Norton Lane, Norton Conservation Area and is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 22nd November 2025 which has been recorded as an objection with the comments as follows:

OWPC79947

Our property is at the corner of Old Dairy Lane and we are regularly asked to move our cars, which are parked on our own parking space adjacent to the the property, to allow larger vehicles to gain access to Old Dairy Lane. The entrance is not really suitable for multiple large vehicles that would be associated with a substantial commercial property such as that being proposed. In addition we have a holiday let in Old Dairy Lane and the amenity of guests would be negatively impacted by additional traffic on this gravel track. Whilst understanding the commercial requirement for property, it does seem that a small village such as Norton with its narrow lane and conservation status is not ideally suited to this kind of development.

Your views as made above will be considered before the application is determined.
