Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/107/25/PL
Site Address: Land at West Barn Old Dairy Lane Norton PO20 3AF
Description of works: Demolition of existing tennis court and erection of a commercial building (within Use Class E(g)), parking, landscaping and other associated works. This application is a departure from the Development Plan, may affect the character and appearance of the Norton Lane, Norton Conservation Area and is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 8th December 2025 which has been recorded as an objection with the comments as follows:

OWPC80171

We strongly object to planning application AL/107/25/PL for a commercial building at land at West Barn, Old Dairy Lane, Norton.

Norton Lane is a narrow road and not wide enough at some points for two cars to pass; wider vehicles cannot pass at all. Vehicles frequently drive onto/over our property's drive while passing each other; if heavier lorries/vehicles do this it will cause damage. The proposed plan for a new commercial property and car parking indicates a huge increase in traffic in Norton Lane, including HGVs, travelling to and from the site. This will increase the amount of traffic and congestion. The additional traffic/HGVs will also contribute to the poor condition of the road surface which is increasingly being damaged due to large vehicles and additional traffic.

The majority of driveways are 'concealed' and an increase in traffic will potentially cause more danger for residents accessing the lane from their properties. The lane has no street lighting and no footpaths - increased traffic will present further danger of accidents to residents and other walkers and cyclists.

In summary, the proposed plan will have a detrimental effect on Norton Lane and its residents.

Your views as made above will be considered before the application is determined.
