Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/107/25/PL
Site Address: Land at West Barn Old Dairy Lane Norton PO20 3AF
Description of works: Demolition of existing tennis court and erection of a commercial building (within Use Class E(g)), parking, landscaping and other associated works. This application is a departure from the Development Plan, may affect the character and appearance of the Norton Lane, Norton Conservation Area and is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 17th December 2025 which has been recorded as an objection with the comments as follows:

OWPC80355

I recently became aware of the proposed commercial development on Norton Lane, and I strongly object. This development would irreversibly damage the local environment and disrupt the lives of those who live on the lane, as well as the many of us who visit regularly as family members and friends.

Norton Lane is a quiet, rural lane that has always provided a safe and peaceful space for walking with children, older relatives, dogs, and even horses. Introducing significant commercial activity and increased vehicle traffic would completely change the character of the area, making it feel unsafe and destroying the tranquillity that makes it so special.

I sincerely hope that Norton Lane remains protected from commercial development and is preserved in its current state for all who value its calm, safety, and the natural beauty of this conservation area.

Best regards,
Nadezhda Lindsay

Your views as made above will be considered before the application is determined.
