Dear Sir/Madam

Thank you for your internet comments made on 26th February 2012 and recorded as follows:

Whilst the Parish Council has no information to dispute the evidence provided by the applicant it has resolved to OBJECT to removal of the agricultural workers condition. It is important that the whole site and any buildings upon it are only permitted in recognition of it being land designated for agriculture or horticulture purposes only.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
