Dear Mr Purdy,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission

Development: Part demolition of boundary wall to form new access to existing site. This application is in CIL Zone 3 (zero rated) as other development and affects the setting of a Listed Building.

Location: Boundary Wall To Nyton House Nyton Road Westergate PO20 3UL

Thank you for your recent application which I received on 4th February 2022. It is being validated by Nicola Moore who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

Visibility Splay

West Sussex County Council require that a visibility splay is provided. A splay is formed for a 30 mph speed limit road by measuring from a point 2.4m back from the kerb edge in the centre of the proposed access. A line should then be drawn from either side of this point for 43 m in each direction to the nearside edge of the carriage way. The splays must intersect and only within the control of the applicant, or within the publicly maintained highway.

The distance will increase with the speed limit of the road. If the road is 40 mph speed limit then the distance should be 120 m either side. For speeds above this please contact West Sussex County Council Highways for advice on what would be acceptable.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it directly to us at: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **2nd March 2022** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed. If you have difficulty meeting this deadline please contact the above officer to extend the time scale.

If you made a paper application and did not provide an email address, please could you do so to enable us to contact you swiftly with any queries or issues.

Yours sincerely

Neil Crowther
Group Head of Planning
