Good morning Nicola

As I mentioned last week, I have now added the visibility splay to the site layout – drawing 254 attached in support of the application.

However, the wall removal is temporary and will be re-erected on completion of construction work, and I have discussed this with Ian Gledhill of WSCC highways who agrees that the application needs to be considered in tandem with the CMS submitted under our condition discharge application (planning portal ref PP-11046697).

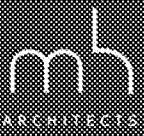

I have however attached it to this email now in order that it be connected to the assessment of this application. Can we now please have the application validated?

Many thanks

Chris

Kind regards

Good Morning

With reference to your email below, please find attached a copy of letter sent on 16th February requesting additional information.

Kind Regards

Nicky

Good afternoon,

Could I please chase validation of planning application no. AL/10/22/PL.

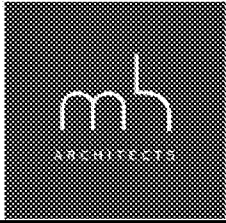

Are you able to provide an update on this application?

Thank you in advance.

Kind Regards
