Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved for 57No. units with public open space & affordable housing. This application is a Departure from the Development Plan
Land East of Orchard Gardens Woodgate Aldingbourne

Thank you for your internet representation made on 8th November 2016 which has been recorded as '**an objection**' with the comments as follows:

I will try to keep short:

- 1. Disregard for planning process. Before even obtaining full permission, bulldozers moved in and destroyed the natural habitat and what has been understood to be a protected green beltway.*
- 2. Services: local schools over subscribed, local doctors surgery already seen as a joke in the local community for lack of appointments available and waiting times.*
- 3. Transport issues: 57 homes here, 1 car each house (more likely to be 2) could lead to 120 vehicles trying to access the A29 from that small road, near the rail crossing, with apparently new houses going in on hook lane (however that got approved I don't know). Orchard Gardens already a poor road to get into due to current parking. Road not suitable for widening.*

Just seems a lot of disjointed ideas that could have massive implications to the wider area. I really hope ADC take a good hard look at the bigger picture.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
