Dear Sirs,

Planning Application AL/111/16/OUT

I refer to the above planning application which is currently before you for consideration and strongly object to 57 houses being built on the site at the end of Orchard Gardens. This piece of land was very recently classed by the Parish Council in their overwhelmingly adopted Aldingbourne Neighbourhood Development Plan as part of the 'biodiversity corridor' and is outside the built up area defined by the Plan.

I would ask that serious consideration be given to this objection. Development of any kind on this piece of land will impact on our community, a large number of who are elderly and retired people whose way of life could be seriously compromised and affected by additional vehicular activity and increased noise during and following the construction of these houses.

Yours faithfully
