30th November 2016

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved for 57No. units with public open space & affordable housing. This application is a Departure from the Development Plan
Land East of Orchard Gardens Woodgate Aldingbourne

Thank you for your internet representation made on 29th November 2016 which has been recorded as '**an objection**' with the comments as follows:

We are opposed to the above planning application.

This application is contrary to the Aldingbourne Neighbourhood Development Plan, the land in question having been designated as part of the Wildlife Biodiversity Corridor and which should not be developed.

Three planning applications have been approved for an additional 400 dwellings in the area. The local infrastructure currently in place for road schools doctors etc will not be able to cope with this large increase.

Orchard Gardens is a narrow road which at certain times of the day has problems with parking by parents dropping off or collecting their children from the local school. The road itself was not designed for the current volume of traffic and should the proposed development be approved then the situation will become far worse especially by the increase of traffic trying to enter or exit Orchard Gardens thus creating an even bigger problem on the congested A29

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange

for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
