For the attention of Miss Potts

Dear Sirs,

Planning Application :- AL/111/16 and East of Woodgate Gardens, Woodgate

Having been fortunate in seeing the above, my wife and I think the plans for the above provide a well thought out addition to housing in Westergate.

Unlike the recent developments in Barnham, the Westergate plan has a comprehensive mix of houses, flats and bungalows. It could well help young people from the villages achieve their first flats or houses.

It would also provide the opportunity for some more elderly people to "downsize" and remain near family, friends and familiar village facilities.

For people like us it could allow family to move nearer to support us as we get older.

The plan achieves this and only affects the views of nine or ten properties

Yours sincerely
John Mountifield
