Good morning Claire,

Apologies for the delay in getting back to you. I apologise that I did not notify planning responses that we would not be seeking contributions towards this planning application.

Due to pooling restrictions governed by CIL REG123 and the significant number of major applications in Arun, Sussex Police have decided to focus on planning applications for over 100 dwellings at this time. We may be able to revisit this decision if there are changes to the CIL regulations or if special circumstances arise.

Thank you for the on-going support of Arun District Council towards Sussex Police. I'm sure the funds we have secured so far will be very helpful to support policing in the District.

Kind regards,

Andy Taylor

Dear Andy,

I don't think you have been consulted on the above outline application for 57 dwellings on Land East of Orchard Gardens in Westergate. It is within the Barnham/ Eastergate/ Westergate proposed allocation site.

Please could you respond to confirm if you are likely to want to seek contributions on a scheme of this size? If you are likely to want to respond, please could you provide an indication of timescale for a response.

Kind regards
Claire
