Dear Chris,

As you are aware Laura works at Worthing and Adur and as such, I am not privy to her holiday arrangements. However, I can confirm that I reconsulted engineers on 21/09 (with a response by 05/10) in respect to the additional documentation provided to me. I should therefore expect a response to the consultation next week. I would suggest that you don't keep chasing Laura until I have heard from her as that may keep her from the responses she needs to provide to me.

Kind Regards

Hi Simon,

Please could you update us as to when these conditions can be reviewed.

As you are aware our drainage consultant has re submitted all the required information back with Laura and Paul for condition 10-12, two weeks ago now.

Despite us chasing directly with Paul and Laura we are yet to hear anything whatsoever.

I understand it isn't your issue that the site is and has been shut for weeks now awaiting these final conditions to be discharged, however please could you help on this matter to expediting a response.

Kind Regards,

Chris Southcott
