Dear Chris,

I have just consulted Laura on the revised plans and she has until the 26th October to respond. I appreciate that she was in the office today but I have other work pressures and I was not able to do the admin work to upload the plans/issue the consultation until just now.

I am happy to speak to Mark but could your tree consultant separately email me what he has already sent to Mark so I can highlight this to him.

Kind Regards

Morning Simon,

I hope Phil's email is now sufficient to discharge the drainage conditions.

I have spoke with Barrie from Eco urban our arboriculturist several times over the past few days and he has been trying to reach Mark Warwick daily without success.

As phil said we really cannot afford this to reach the deadline.

Would it be possible for you to try and speak with him? I understand Laura works today so hopefully she can review Tim's additional information ready for discharge on the drainage.

Thanks.

Kind Regards,

Chris Southcott
