Hi Barrie

Thank you for your email with attached correspondence (your letter to Imperial Homes, 13th September 2021). I am pleased to know your services have been retained for this project.

The latest drainage layout proposals and preferred methodology for preparatory groundwork within nominal Root Protection Areas, appear to provide the most satisfactory outcome for trees along the N boundary and your support for the same is reassuring.

Kind regards,

Mark Warwick

Hi Mark,

I hope you are well?

Apologies, but Imperial have asked me to make contact to see if you are ok with the recent comments from me (attached) regarding drainage on the above?

Please let me know if there are any issues and then we can perhaps have a quick phone chat if need be.

Many thanks.
