Dear Marie,

We are unable to formally grant an extension but there is zero chance of us determining this application before your meeting on the 12th October (or indeed during that week) so you have time to provide your response.

Kind Regards

Dear Simon

In regard to the above planning consultation, I am writing to advise that as we only received this application on the 7 September 2021, it missed our latest planning meeting and our next meeting is not until the 12 October 2021, but I note the deadline for comments is the 7 October 2021.

The planning committee have asked for an urgent extension to this consultation, so that the application can be considered in full at our meeting on the 12 October 2021.

Can you acknowledge receipt of this e-mail and advise that the consultation has been extended and to what date.

Regards

Marie Singleton
