Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/113/21/OUT
Site Address: Land at Bayards Level Mare Lane Eastergate PO203RZ
Description of works: Outline application with all matters reserved, apart from access, for up to 69 No dwellings with access, parking, landscaping & associated works. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 20th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40522

The Aldingbourne Barnham and Eastergate CLT understands that Arun District Council would be unlikely to be able to grant consent because the application would conflict with the policies of made Aldingbourne NDP. However, in the event that ADC were minded to grant consent it should be conditional on the developer entering into a s106 agreement as per that negotiated by the CLT, AiRS and ADC in order that affordable housing is delivered for local people.

The CLT notes that the developer has not made any approach regarding local affordable housing. Also that no approach was made in respect of the neighbouring property, where approval appears to have been made without regard to ADC's well established relationship with the CLT. It would be very regrettable if consent were given here without provision for local affordable housing for local people.

Your views as made above will be considered before the application is determined.
