Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/113/21/OUT
Site Address: Land at Bayards Level Mare Lane Eastergate PO203RZ
Description of works: Outline application with all matters reserved, apart from access, for up to 69 No dwellings with access, parking, landscaping & associated works. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 5th October 2021 which has been recorded as an objection with the comments as follows:

OWPC40911

Until Fontwell Avenue is upgraded with significant improvements to road safety, including provision of safe walking and cycling routes, particularly at crossings, there should be no further housing with direct access to this highway. Compliance with the updated highway code alone will bring traffic to a complete standstill at peak periods. A lack of compliance will seriously increase the dangers for growing numbers of pedestrians and cyclists. This requires a Road Safety Assessment taking account of the cumulative effects from all housing and traffic growth in the area. Piecemeal assessments are not representative of reality and will inevitably lead to unnecessary hazards for all road users.

Your views as made above will be considered before the application is determined.
