Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/113/21/OUT
Site Address: Land at Bayards Level Mare Lane Eastergate PO203RZ
Description of works: Outline application with all matters reserved, apart from access, for up to 69 No dwellings with access, parking, landscaping & associated works. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 21st October 2021 which has been recorded as an objection with the comments as follows:

OWPC41368

This application is outside the built-up area boundary and not in compliance with Aldinbourne's existing Neighbourhood Plan. The number of dwellings exceeds those already allocated by the made Plan which came into force in July 2021.

This number of dwellings will increase the traffic flow onto the Fontwell Roundabout, already noted to be running in excess of capacity by National Highways/Highways England. Further increase in load will be detrimental to safety. The routing of the traffic through another development is a concern - assessment of that application's access suitability to the A29 was not for this number of dwellings.

The Walberton to Barnham cycle path, referred to in the traffic statement, is in poor condition along West Walberton Lane and is merely a route along a narrow road with no demarkation for cyclists.

There will be significant visual impact from the construction of this quantity of housing.

There is the potential for an adverse impact on protected species (bats and their flight lines) by development of this location.

I strongly support Aldingbourne Parish Council's views on this unnecessary overdevelopment.

Your views as made above will be considered before the application is determined.
