Dear Esme,

We are still on track but yes the Highways response is still outstanding. I gave them until 7th December to respond so I will work on the rest of the report in the meantime and then slot their comments in (assuming they are now positive). Please can you agree an Extension of Time until the 7th January 2022.

Simon

Hi Simon,

Thank you for your cooperation on this, just to confirm we are keen to progress this straight after the committee in January.

Also, please could you let know if we are still on track for committee on the 5th January? I believe its just the highways comments that are still outstanding, has there been any further correspondence on this?

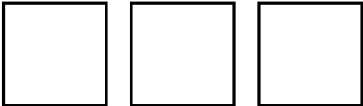

Many thanks,
Esme
