Hi Simon,

Thank you for providing these comments from WSCC Highways.

As discussed please find attached the revised Road Safety Audit (RSA), please note the RSA auditor made an error in the report which has now been resolved, the recommendations made are the same and will therefore not impact on WSCC's comments. It should also be noted that the auditor used is the same as that for 42 unit scheme at Fontwell Avenue (ref: BN/50/20/PL) and who is also involved in the S278 works so they are well versed on this site.

We will also respond to the other comments provided by WSCC Highways shortly.

Many thanks,
Esme
