Hi Simon,

Please find attached the requested drawing of the bus stop improvements, please could this be passed onto WSCC Highways for review.

The RSA is being undertaken on Monday 10th with the aim of having the report prepared by Tuesday 11th - I will forward this onto to as soon as I can.

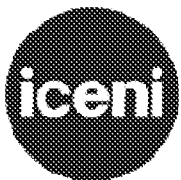

We have also run the contribution calculations, we just confirming the figure internally and will provide it to you early next week with the associated justification.

Hopefully these matters can be concluded before you finalise your report next week but if not it will certainly be for your written update.

Many thanks,
Esme
