Dear Sirs,

**Planning Application AL/114/09 – former New House Farm, Norton Lane,
Aldingbourne, PO20 3NH.
Proposed Tourist Units in Redundant Farm Buildings**

This Council wishes to make the following comments on the above application.

It is noted that the application is a departure from the development plan and that it is an amendment to permission granted under AL/92/08 in respect of B1 use of some of the former farm buildings.

Notwithstanding the development plan departure, given that permission for development of the farm buildings has already been granted this Council would support use of the buildings as tourist accommodation rather than B1 use.

Whilst not a planning consideration this Council would suggest that the access road to the development is suitably named and the units numbered to aid identification by emergency services and avoid unnecessary disturbance to neighbouring properties along Norton Lane.

Yours faithfully

Mike Cooper
Clerk to Aldingbourne Parish Council
