Engineers Comments Regarding Condition 3

Please can the applicant supply further details of the previous infiltration testing, i.e. results from all four infiltration tests including obtained rates, depth and location of testing.

If this information cannot be supplied then we request that further testing is completed this winter at the proposed location of infiltrating features.

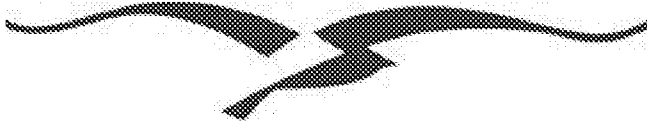

Kind regards,

Laura Gibbons

Drainage Engineer

Engineering Services

Please note that I work Tuesdays 08:00-16:00 for Arun only.
