Dear Andy,

Thank you again for your time on Tuesday - it was very useful to discuss the Council's current position on affordable housing as well as our application at the Wings.

I now have confirmation from the applicant to adjust the proposed affordable housing tenure in line with your requests and have attached a PDF letter to this email to that effect.

I have copied in the case officer, Richard Temple, for his attention also.

If you require any further information on this matter, please don't hesitate to let me know.

Best wishes

Gareth

Please find attached as PDF a letter in response to the consultee responses relating to the above site logged on the Planning Register to date (18th Nov 2017).

We would be grateful for your views on some of the matters raised - in particular in relation to affordable housing and if any additional information is required at this stage relating to any other matters. We believe we have already, or can, provide all of the information required to demonstrate the ability of the proposed development to overcome all constraints identified and the applicant is very willing to work with the Council to ensure this. On that basis, we ask if you could kindly review our letter and come back with any comments.

Best wishes

Gareth
