Dear Daniel,

Yes, your client only needs the northern access onto the A29 to implement his planning permission and does not therefore need to implement the road link to the southern access.

Kind Regards

[REDACTED] Principal Planning Officer, Planning Department, Directorate of Place, [Arun District Council](#) |

Many thanks for your response which is appreciated.

In relation to the access it is my understanding therefore that the new road does not need to be constructed in order to comply with the planning conditions but I would be grateful if this can be confirmed?

Kind regards
