Aldingbourne Parish Council has no objections providing a suitable scheme for soft landscaping is put in place to provide visual screening and separation between the development site and the open grassland area to the south.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see.
