Subject: WSCC Planning Consultations on AL/116/18/PL and AL/117/18/PL

Dear Simon

I write in relation to the further requests from WSCC in respect of filed plan SP01 Rev B. I attach the architect's amended version SP01 Rev D for yours/WSCC's consideration. As before, if accepted, this plan will need to replace the reference in the filed application to plan SP01 Rev B.

I look forward to hearing from you.

With kind regards.

Anna Ferrier
