Claire Potts

4th March 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved for the demolition of existing buildings & the erection of 10 No. dwellings comprising 1 No. three bedroom detached, 2 No. three bedroom semi detached, 4 No. four bedroom semi detached & 3 No. four bedroom detached houses with associated access & parking.

Ryefields Farmhouse Oak Tree Lane Woodgate

Thank you for your internet representation made on 2nd March 2019 which has been recorded as '**an objection**' with the comments as follows:

We wish to strongly object to the planning application made. We feel the lane has been now fully developed and the volume of vehicle movements made in the road at this present time, is at its safe limit. Further development in the road will only add to the problems that occur when traffic has to turn right or left to join the A29. Also the impact on safety for the current residents must be considered with the inevitable increase in traffic that would be using the lane. Should planning be granted, traffic calming measures should be introduced to Oak Tree Lane. Would the new houses be subject to the same covenant that is in place, for repairs to the road? If not, we feel the council should therefore bear responsibility for these costs.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
