Thank you for your internet representation made on 31st October 2024 which has been recorded as an objection with the comments as follows:

OWPC72012

The newly attached groundwater update, that is 7 years out of date. As this area has had a global warming rise with weather issues that have closed off the A29 due to flooding issues. The rise of shoddy built homes like Cala/ wimpey etc that has added vast strain to the over burdened Waste sewage works. The surrounding area cannot cope with all these new house developments that are springing up... I would like to see how much money the Council are receiving from all these backhanders. In trying to flog a dead horse for a housing project that is not needed or sustainable
