Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/11/24/OUT
Site Address: Land East of Westergate Westergate
Description of works: Hybrid application consisting of: 1) Outline permission for all matters reserved (except access) for up to 400 No dwellings and associated works and 2) Full planning permission for alterations to site access off Westergate Street and through Pine Close and east-west link road including a bridge over the Lidsey Rife. This application also lies within the parish of Barnham, falls within Strategic Site SD5, CIL Zone 1 (Zero Rated), affects the setting of listed buildings, affects the character and appearance of the Eastergate Church Lane Conservation Area, affects public rights of way. This application is the subject of an Environmental Statement.

Thank you for your internet representation made on 10th November 2024 which has been recorded as an objection with the comments as follows:

OWPC72162

There is already stand-still traffic on Westergate Street every day of the week due to 1/ railway line crossing 2/ Aldingbourne School. Adding 400 houses and potentially 800 additional cars (trying to exit/enter Pine Close junction) is absolutely not sustainable to the local area. It is also very dangerous. In addition, all local schools are already full, where will (potentially) 400 children go? Turning out of Pine Close will become very dangerous! Pine Close already has limited parking, there will be nowhere for our relatives or carers to park. I really hope you think with your brains here and not about the money! This development will ruin the village!

Your views as made above will be considered before the application is determined.
