

## **Appendix 1:**

**Colour plates: Result of Walkover Survey [Refer to Section 6.3]**

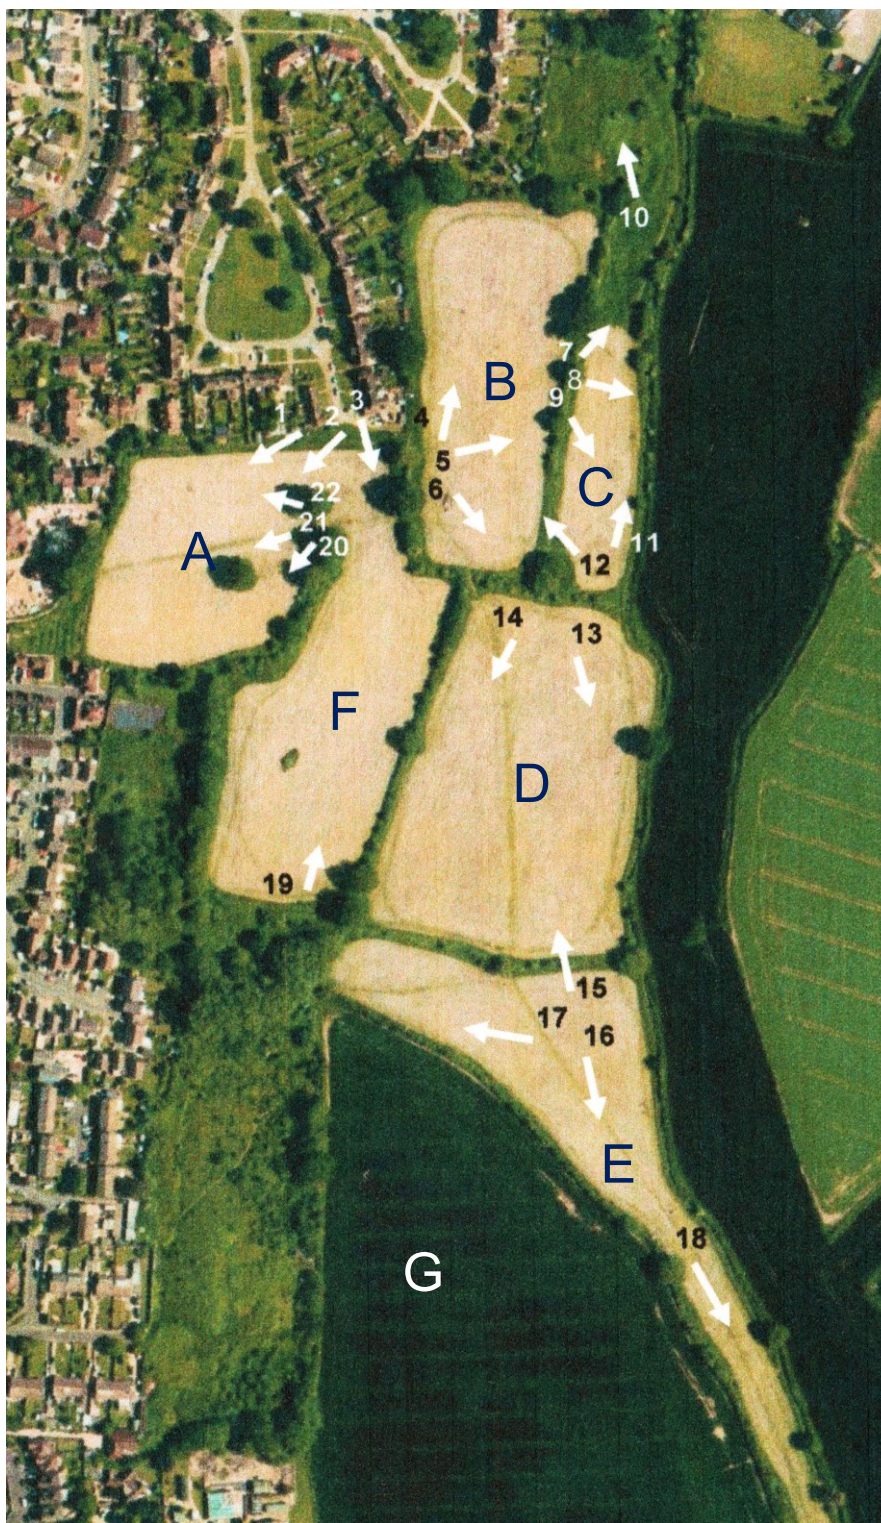

**Figure A1:** Location Plates 1-22 were taken from  
With arbitrary sub-division of the site area into sub areas A-G

**Plate 1:** Site area A viewed from the north east looking south west

**Plate 2:** As Plate 1

**Plate 3:** From same location as Plates 1 and 2 though looking due south along hedge line dividing Area F and Area D.

**Plate 4:** View from south west corner of sub area B looking north

**Plate 5:** As Plate 4 though looking to the east to north south orientated boundary between areas B and C.

**Plate 6:** As Plate 5 though looking south east towards east west boundary between areas B and D.

**Plate 7:** View of the extreme north of the site area showing decent to north south drainage cut eastern boundary to the site.

**Plate 8:** View from west / centre of sub area C looking towards eastern boundary of the site.

**Plate 9:** As Plate 8 though looking to the south east

**Plate 10:** View looking north [ north of Area C] at the extreme north of the site area

**Plate 11:** View from the south east corner of Area C looking north along the eastern boundary of the site.

**Plate 12:** View from the south west corner of Area C looking north west

**Plate 13:** View from the centre northern boundary of Area D looking south across Area D

**Plate 14:** As Plate 13 though looking towards the north south orientated boundary between Areas D and F.

**Plate 15:** View of Area D viewed from the centre southern boundary of Area D

**Plate 16:** Area E viewed from the boundary between Areas D and E view looking to the south

**Plate 17:** North west of Area D showing wooded western margin [to be retained]

**Plate 18:** The extreme south of Area E looking towards the southern boundary of the gross site area

**Plate 19:** Area F viewed form the extreme south east corner of Area F looking north

**Plate 20:** View of Area A form the boundary between Areas A and F looking south

**Plate 21:** As Plate 20 though view towards the south west corner of Area A.

**Plate 22:** As Plate 21 though looking to the north west across Area A.
