Thank you for your internet representation made on 25th February 2024 which has been recorded as an objection with the comments as follows:

Another 400 homes!! Ridiculous I've lived here 2years and the amount of development is just silly! You can not get doctors appointments. The access is threw a cul-de-sac which means less parking for the residents less than the legal requirement for a four house also the lane in private. The access will cause another snagging poont to Westergate street which there is already ques up to and pass line close rd traffic light will make it worse. Access is too narrow as well. Also the fuels are used by all ther residents in the area it is a great green space peaceful and pretty and good for well being. When looking at the outline of houses the area in question floods on a regular basis also the waste is a massive issue as we have had the pumping lotus getting stuck as the sewage has overflowed out of the drains and in to the stream.No extra space in schools as I've checked this resonantly. There is with out a doubt not enough infrastrucuter in place to except over 400 homes !! Just look at shripney and barnham rd with flooding these fields do help to stop the other roads flooding with surface water you take them away it will be a lot worse. Wildlife also in this area should be not disturbed. This Bridge Cala homes keeps going on bout which goes over the rail way is pointless won't be built for like 8 to 10 years, so us the residents have to put up with the inconvenience of sitting in traffic untill it's built. I think this development is unnecessary and unexceptable and I hope Arun council make the right choice and reject this straight away.
