Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/11/24/OUT
Site Address: Land East of Westergate Westergate
Description of works: Hybrid application consisting of: 1) Outline permission for all matters reserved (except access) for up to 400 No dwellings and associated works and 2) Full planning permission for alterations to site access off Westergate Street and through Pine Close and east-west link road including a bridge over the Lidsey Rife. This application also lies within the parish of Barnham, falls within Strategic Site SD5, CIL Zone 1 (Zero Rated), affects the setting of listed buildings, affects the character and appearance of the Eastergate Church Lane Conservation Area, affects public rights of way. This application is the subject of an Environmental Statement.

Thank you for your internet representation made on 26th February 2024 which has been recorded as an objection with the comments as follows:

OWPC65019

The idea of feeding another 400 houses onto the A29 Westergate Street which already witnesses congestion on multiple occasions throughout every day of the week is problematic and dangerous. The proposed junction for the entry point is of Oak Close is on a bend. With the alternative via Woodgate being a complete impracticality due to the train crossing with a primary school sandwiched between the two. What are the HSE plans for the construction traffic during the build phase. This is a village with sewage already spilling into the rife regularly from the current houses then an additional 400 could lead to an environmental catastrophe for the immediate area.

Your views as made above will be considered before the application is determined.
