Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/11/24/OUT
Site Address: Land East of Westergate Westergate
Description of works: Hybrid application consisting of: 1) Outline permission for all matters reserved (except access) for up to 400 No dwellings and associated works and 2) Full planning permission for alterations to site access off Westergate Street and through Pine Close and east-west link road including a bridge over the Lidsey Rife. This application also lies within the parish of Barnham, falls within Strategic Site SD5, CIL Zone 1 (Zero Rated), affects the setting of listed buildings, affects the character and appearance of the Eastergate Church Lane Conservation Area, affects public rights of way. This application is the subject of an Environmental Statement.

Thank you for your internet representation made on 26th February 2024 which has been recorded as an objection with the comments as follows:

OWPC65020

I object to this planning application. The roads are already struggling to cope with the volume of traffic and rainfall we continue to experience and 400 extra dwellings will significantly impact the area.

I walk around Church Lane, Eastergate daily - in fact it's beauty was one of the selling points for us buying our property - and enjoy the peace and safety of the green spaces behind The Wilkes Head. This is something that's becoming harder to find. However, the extra dwellings around this area would disturb this.

Thirdly, presumably these residents would have to use The Croft doctors surgery and local schools. Has consideration been made for this?

Your views as made above will be considered before the application is determined.
