OWPC65027

The infrastructure in westergate and surrounding villages is at breaking point. The roads are constantly at a stand still, the water drainage is a joke, the doctors are all full/over subscribed and the schools in the area are completely full. two nurseries in the area have closed in the last year with no replacement. We have had 7 or 8 large developement sites within Aldingbourne in the last two years, with no consideration to the impact of the local services or infrastructure. We do not need another 400 houses! we need more schools or doctors. we need better drainage and roads that dont get sink holes every other week. The area is becoming less and less desirable to live in. Our children need green areas and schools. not building sites
