Thank you for your internet representation made on 26th February 2024 which has been recorded as an objection with the comments as follows:

OWPC65036

The roads in the area can barely cope with the amount of traffic at the moment. We also don't have the sewage system in place to cope with what we already have. We are flooded every year with usually only one non flooded road in and out of the village (this year every road flooded). Also not enough doctors or school places for those already here. Building has to stop.

Your views as made above will be considered before the application is determined.
