OWPC65051

This will cause major congestion to the main Shripney Road. 800 plus cars all trying to join a road which was never built for the amount of traffic it is now carrying. There is no clear date when the A29 realignment may be agreed so until then this will be the main access road. Everyone in the local area will suffer, the road is congested as it is with the wood gate crossing.

Your views as made above will be considered before the application is determined.
