Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/11/24/OUT
Site Address: Land East of Westergate Westergate
Description of works: Hybrid application consisting of: 1) Outline permission for all matters reserved (except access) for up to 400 No dwellings and associated works and 2) Full planning permission for alterations to site access off Westergate Street and through Pine Close and east-west link road including a bridge over the Lidsey Rife. This application also lies within the parish of Barnham, falls within Strategic Site SD5, CIL Zone 1 (Zero Rated), affects the setting of listed buildings, affects the character and appearance of the Eastergate Church Lane Conservation Area, affects public rights of way. This application is the subject of an Environmental Statement.

Thank you for your internet representation made on 27th February 2024 which has been recorded as an objection with the comments as follows:

OWPC65105

This development would be a disaster for the local area:

Loss of green space for recreation (popular public footpaths next to what will become building site/busy development).

Loss of habitat for wildlife.

Increased pressure on sewerage which is already over capacity and struggling due to increasing rainfall, leading to sewage pollution incidents.

Increased traffic on roads already subject to major traffic jams and therefore leading to increased traffic pollution.

Increased pollution during construction phase - silt and soil containment is generally poorly managed leading to build up of sediment and choking of watercourses.

Surface water flooding already becoming a major issue in the area due to inadequate drainage, too much built up land and increasing rainfall due to climate change. Further development will lead to increased flooding, worsening conditions of roads (potholes) and dangerous driving/incidents.

Insufficient provision of doctors, dentists and schools.

Complete loss of village community and identity as we become a metropolis of new housing.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
