Thank you for your internet representation made on 29th February 2024 which has been recorded as an objection with the comments as follows:

OWPC65153

This would be absolute madness to let this development go ahead. The local infrastructure is at bursting point now and another 400 homes would be catastrophic for the current local residents.

Shripney road and the surrounding area flood every winter without fail causing travel chaos for weeks at a time as it is now. With 400 homes being built this would most likely add another 800 cars to this yearly mess and bring the area to a total gridlock.

And then there are other issues such as lack dentists, doctors, local hospital capacity, lack of road capacity for extra traffic, a sewage that cannot cope with current capacity.

Just No!
