Thank you for your internet representation made on 1st March 2024 which has been recorded as an objection with the comments as follows:

OWPC65160

There are already too many houses in this area. The drainage can't cope. Local flooding which never happened prior to the new developments of houses recently built. Schools, doctor, hospital and dentists cannot cope with the amount of people in the area. The roads are in such a poor condition and just keep getting worse. The effect this is all having on local people's mental wellbeing also needs to be taken into consideration. Building more homes in this area is not going to help local people as they cannot afford to purchase. The cost of living has made it almost impossible and the rent people are charging is extortionate and unaffordable. What was a beautiful area to live is turning into an area people want to escape from.
