OWPC65192

This proposed development will be situated behind my house. The fields are used frequently by ramblers and dog walkers alike and apart from rivers Meadow is the only open land in this area. The land often floods and so does the A29 road outside too. My son attends Aldingbourne primary and his class is meant to be 30 is already at 33 having to accommodate new children moving to the area. Trying to access local services is very difficult, for example making a doctors appointment. I cannot see how the infrastructure and local schools, doctors, dentists, parks and roads can take any more volume if traffic and people let alone the issue of taking away the last of our local green space. This application must not be passed.

Your views as made above will be considered before the application is determined.
