Thank you for your internet representation made on 2nd March 2024 which has been recorded as an objection with the comments as follows:

OWPC65206

The area is being over developed houses being built all over, roads are flooding, roads are extremely congested especially when the railway gates are down, this is a village with private owned houses, with recent builds and ongoing the area is becoming the equivalent of a council estate, properties are being devalued, crime is rising, public services are non existent, pot holes everywhere now causing damage to vehicles, this makes no sense, where are all the jobs for these people, homes unsold, now being used as rented or part owned. This area was considered the 5 villages then 6 villages what next a town!!

Your views as made above will be considered before the application is determined.
