The villages infrastructure can support any further housing! Our roads are broken from flooding and constant road closures mean our 'lane' roads are seeing heavy uplifts in traffic that they structure cannot support. Also our schools are small and I do not see any plans to build another primary school.

You are also increasing traffic in an already busy area. This has an effect on those already living and commuting
In the area. Our villages are ruined!

Your views as made above will be considered before the application is determined.
