This application is the subject of an Environmental Statement.

Thank you for your internet representation made on 5th March 2024 which has been recorded as an objection with the comments as follows:

OWPC65253

We strongly oppose this application for yet more houses. This small village is being decimated and turning into a town but without the infrastructure. The roads are busy and noisy already, the schools are over populated, not to mentioned the depleting green space and wildlife. This small area is being ruined.

Your views as made above will be considered before the application is determined.
