Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/11/24/OUT
Site Address: Land East of Westergate Westergate
Description of works: Hybrid application consisting of: 1) Outline permission for all matters reserved (except access) for up to 400 No dwellings and associated works and 2) Full planning permission for alterations to site access off Westergate Street and through Pine Close and east-west link road including a bridge over the Lidsey Rife. This application also lies within the parish of Barnham, falls within Strategic Site SD5, CIL Zone 1 (Zero Rated), affects the setting of listed buildings, affects the character and appearance of the Eastergate Church Lane Conservation Area, affects public rights of way. This application is the subject of an Environmental Statement.

Thank you for your internet representation made on 5th March 2024 which has been recorded as an objection with the comments as follows:

OWPC65264

The roads in our villages are at capacity, full of potholes and flooded for six months of the year - how are they supposed to cope with 400 more houses? The east / west link is a good idea but at the moment it is a road to nowhere! Phase 2 of the A29 bypass is not due for a decade (if it ever gets built). Meanwhile, the traffic queuing on the A29 is horrendous. Arun DC should not be giving planning permission for houses when West Sussex County is responsible for delivering Phase 2 of the bypass.

Your views as made above will be considered before the application is determined.
