Thank you for your internet representation made on 7th March 2024 which has been recorded as an objection with the comments as follows:

OWPC65323

As a resident for over 30years, the A29 through Westergate is becoming gridlocked, a relief road was promised, not delivered. The vast growth in new housing in the 5 villages is clearly contributing to traffic chaos and latterly significant flooding as new drainage and loss of wetlands and fields is unable to cope. It is inconceivable that the council would consider this application until the current chaotic situation is resolved. As predicted years ago without positive action things will get worse

Your views as made above will be considered before the application is determined.
