Thank you for your internet representation made on 11th March 2024 which has been recorded as an objection with the comments as follows:

OWPC65373

Absurd to yet again build on another field that floods every year, not just with water but also with sewage from the already overloaded system. The council have already acknowledged we have a congestion issue yet they are willing to add another 400 cars to the roads. Not to mention the wildlife that will be disturbed, the birds, the deer etc.

I would also like to remind the council that we are a village! Part of choosing to live in a village means you have country fields and green spaces around you. So many of us use those fields on a daily basis to walk our dogs or just to enjoy them. Considering there are also plans to realign the A29 through the fields adjacent to these along with THOUSANDS more houses, why can't the council just leave the village something?

Your views as made above will be considered before the application is determined.
