OWPC65385

The local schools, doctors and dentists are at capacity, Nursery's and childminders are pretty much the same.

The roads that are actually open are gridlock at certain times of the day, others closed due to damaged sewers and surface water hazards.

St Richards hospital A&E department, treatment and operation times are shocking and will only get worse with extra people.

Some of the proposed land is already flooded with sewage.

We are just a small village, we just don't have the infrastructure.

Your views as made above will be considered before the application is determined.
