This is an awful idea to build on such lovely fields that are so important to the community. I see so many dog walkers over there and there aren't any other fields like this nearby for dog walkers. The area will become way too overpopulated putting this many houses in. This area is meant to have a village feel but putting this many houses in will be trying to turn it into a city which it most definitely is not. There will be an uprise from the whole neighbourhood if this goes ahead I am sure. Please do not go ahead with this.

Your views as made above will be considered before the application is determined.
